

2018 Central High School STEM Application

Thank you for your interest in the STEM (Science, Technology, Engineering and Math) program at CHS. Please complete the below form, innovation task, teacher recommendations and submit to **CHS STEM, 550 Warrior Way, Grand Junction, CO 81504** or through inter school mail attention **Phil Johnston, CHS STEM**. The first week of March, a committee made up of STEM certified instructors will review all complete applications and notify you as to your acceptance status around spring break via mailed letter. Only complete applications will be reviewed so please read each question below carefully and respond in as complete a manner as possible. Again, thank you for your interest!

2018 CHS STEM Innovation Project

In addition to the above application, please submit an innovation project that best communicates your response to the following question: Have you ever been using a product and thought to yourself, “I wish it did...”? Maybe it is shoes having wheels that are retractable, an ergonomic toothbrush or an alarm clock that is voice controlled. All of these are examples of innovation that has occurred. In your own style, detail a developed innovation idea of your own. There are no right or wrong answers and please do not worry about constraints. This exercise is used to show your thought process and the rules are left vague on purpose. Have fun with this and communicate your idea(s) as you best see fit.

2018 CHS STEM Teacher Recommendation Letters

Please have a math or science teacher and one other teacher or administrator submit recommendation letters on your behalf to **CHS STEM, 550 Warrior Way, Grand Junction, CO 81504** or through inter school mail attention **Phil Johnston, CHS STEM**. They are linked on the CHS STEM web site.
